Subject Index

A

- Acquired Immune Deficiency Syndrome (AIDS)**
- AIDS education and a volunteer training program for medical students. Cohen MAA, Cohen SC. Spring 187-190
- An AIDS bibliography for the general psychiatrist. Wallack JJ, Snyder S, Bialer PA, Gelfand JL, Poisson E. Summer 243-254
- HIV-related major depression: response to zidovudine treatment (case report). Perkins D, Evans DL. Fall 451-454
- Mania and paranoid psychosis in AIDS (letter). El-Mallakh RS. Summer 362
- Affective Disorders**
- Somatothymia: parts I and II. Stoudemire A. Fall 365-381
- Alcohol Abuse**
- The consequences of maternal substance abuse for the child exposed in utero. McCance-Katz EF. Summer

- 268-274
- Drug and alcohol abuse in patients with acute burn injuries. Swenson JR, Dimsdale JE, Rockwell E, Carroll W, Hansbrough J. Summer 287-293
- Liver transplantation for the alcoholic patient (letter). King SA. Winter 112-113
- Reply to Dr. King (letter). Beresford TP. Winter 113-114
- Alexithymia**
- The alexithymia construct: a potential paradigm for psychosomatic medicine. Taylor GJ, Bagby RM, Parker JDA. Spring 153-164
- Problems with measuring alexithymia. Parker JDA, Taylor GJ, Bagby RM, Thomas S. Spring 196-202
- Somatothymia: parts I and II. Stoudemire A. Fall 365-381
- Alopecia**
- Lithium and hair loss in childhood (case report). Wagner KD, Teicher MH. Summer 355-356
- Psychotropic medication and drug-related alopecia. Warnock JK.

- Spring 149-152
- Anorexia Nervosa**
- The role of the primary care physician in the diagnosis and management of anorexia nervosa (perspective). Silber TJ, D'Angelo LJ. Spring 221-225
- Antidepressants**
- Psychotropic drug use in the medically ill: part II. Stoudemire A, Moran MG, Fogel BS. Winter 34-46
- Use of tricyclic antidepressants in recipients of heart transplants. Kay J, Bienenfeld D, Slomowitz M, Burk J, Zimmer L, Nadolny G, Marvel NT, Geier P. Spring 165-170
- Anxiety Disorders**
- Comorbidity of Mood and Anxiety Disorders* (book review). Edited by Maser J, Cloninger R. Winter 111
- Organic anxiety syndrome secondary to metastatic brain tumor. Capwell RR, Carter R. Spring 231-233
- The prevalence of anxiety disorders among patients with mitral valve prolapse syndrome and chest pain.

- Bowen RC, D'Arcy C, Orchard RC. Fall 400-406
- Aphasia**
Electroconvulsive therapy for depressed patient with global aphasia (letter). Friedman EH. Spring 237
- B**
- Back Pain**
Cerebrospinal fluid concentrations of beta-endorphin in chronic low back pain patients: influence of depression and treatment. France RD, Urban BJ. Winter 72-77
Medical visits and psychological disturbance in chronic low back pain: a study of a back education class. Miller RJ, Hafner RJ. Summer 309-316
- Behavior**
Psychological and behavioral benefits of a stress/type A behavior reduction program for healthy middle-aged army officers. Fava M, Littman A, Halperin P, Pratt E, Drews FR, Oleschansky M, Knapik J, Thompson C, Bielska C. Summer 337-342
Psychological factors and behavioral factors affecting medical conditions and DSM-IV: an overview. Stoudemire A, Hales RE. Winter 5-13
- Benzodiazepines**
Psychotropic drug use in the medically ill: part II. Stoudemire A, Moran MG, Fogel BS. Winter 34-46
- Beta-Blockers**
Cardiovascular reactivity to psychosocial stressors: a review of the effects of beta-blockade. Mills PJ, Dimsdale JE. Spring 209-220
- Blood Pressure**
Cardiovascular reactivity to psychosocial stressors: a review of the effects of beta-blockade. Mills PJ, Dimsdale JE. Spring 209-220
- Bone Marrow Transplants**
Depressed mood and other variables related to bone marrow transplantation survival in acute leukemia. Colón EA, Callies AL, Popkin MK, McGlave PB. Fall 420-425
The psychosocial levels system: a new rating scale to identify and assess emotional difficulties during bone marrow transplantation. Futterman AD, Wellisch DK, Bond G, Carr CR. Spring 177-186
A retrospective study of psychosocial morbidity in bone marrow transplant recipients. Jenkins PL, Linington A, Whittaker JA. Winter 65-71
- Books Reviewed**
Clinical Diagnosis and Management of Eating Disorders. Edited by Hall RCW. Summer 360-361
Comorbidity of Mood and Anxiety Disorders. Edited by Maser J, Cloninger R. Winter 111
Concise Guide to Geriatric Psychiatry. By Spar JE, La Rue A. Spring 234-235
Depression in Schizophrenia: Progress in Psychiatry Series, Volume 18. Edited by DiLisi LE. Winter 108-109
Negative Schizophrenic Symptoms: Pathophysiology and Clinical Implications. Edited by Greden JF, Tandon R. Winter 109-111
Panic Disorder in the Medical Setting. By Katon WJ. Fall 466
Perspectives on Hysteria. By Slavney PR. Summer 357-359
Posttraumatic Stress Disorder: Etiology, Phenomenology, and Treatment. Edited by Wolf ME, Mosnaim AD. Spring 235-236
Serotonin in Major Psychiatric Disorders: Progress in Psychiatry #21. Edited by Coccaro EF, Murphy DL. Spring 235
Somatization: Physical Symptoms and Psychological Illness. Edited by Bass CM. Summer 359-360
- Brain**
Head-injured parents and their children: psychosocial consequences of a traumatic syndrome. Urbach JR, Culbert JP. Winter 24-33
Organic anxiety syndrome secondary to metastatic brain tumor. Capwell RR, Carter R. Spring 231-233
- Breast Cancer**
Psychological functioning of daughters of breast cancer patients: part I: daughters and comparison subjects. Wellisch DK, Gritz ER, Schain W, Wang HJ, Siau J. Summer 324-336
- Bulimia Nervosa**
Enema abuse as a clinical feature of bulimia nervosa (case report). Mitchell JE, Pyle RL, Hatsukami D, Eckert E. Winter 102-104
Sauna abuse as a clinical feature of bulimia nervosa. Mitchell JE, Pyle RL, Eckert E. Fall 417-419
- Burns**
Drug and alcohol abuse in patients with acute burn injuries. Swenson JR, Dimsdale JE, Rockwell E, Carroll W, Hansbrough J. Summer 287-293

Head-injured parents and their children: psychosocial consequences of a traumatic syndrome. Urbach JR, Culbert JP. Winter 24-33

A retrospective study of psychosocial morbidity in bone marrow transplant recipients. Jenkins PL, Linington A, Whittaker JA. Winter 65-71

Psychosocial Stress

Cardiovascular reactivity to psychosocial stressors: a review of the effects of beta-blockade. Mills PJ, Dimsdale JE. Spring 209-220

Psychosomatic Medicine

The alexithymia construct: a potential paradigm for psychosomatic medicine. Taylor GJ, Bagby RM, Parker JDA. Spring 153-164

Psychostimulants

Psychostimulants for secondary de-

pression in medical illness. Masand P, Pickett P, Murray GB. Spring 203-208

Psychotropic drug use in the medically ill: part II. Stoudemire A, Moran MG, Fogel BS. Winter 34-46

Psychotherapy

Psychotherapy and cancer survival: a cautionary note (letter). Stefanek ME. Spring 237-238

Psychotherapy by telephone: a therapeutic tool for cancer patients. Mermelstein HT, Holland JC. Fall 407-412

Reply to Dr. Stefanek. Spiegel D, Solomon A. Spring 238-239

Psychotropic Medication

Psychotropic drug use in the medically ill: part II. Stoudemire A, Moran MG, Fogel BS. Winter 34-46

Psychotropic medication and drug-related alopecia. Warnock JK. Spring 149-152

Pulmonary Disease

Factitious disorder with respiratory symptoms (case report). Schmalings KB, Rosenberg SJ, Oppenheimer J, Moran MG. Fall 457-459

Psychological factors affecting pulmonary and rheumatologic diseases: a review. Moran MG. Winter 14-23

Psychotropic drug use in the medically ill: part II. Stoudemire A, Moran MG, Fogel BS. Winter 34-46

R

Renal Disease

Psychological factors affecting end-stage renal disease: a review. Levenson JL, Glocheski S. Fall 382-389

Psychotropic drug use in the medically ill: part II. Stoudemire A, Moran MG, Fogel BS. Winter 34-46

Rheumatologic Disease

Psychological factors affecting pulmonary and rheumatologic diseases: a review. Moran MG. Winter 14-23

S

Sauna Abuse

Sauna abuse as a clinical feature of bulimia nervosa. Mitchell JE, Pyle RL, Eckert E. Fall 417-419

Schizophrenia

Depression in Schizophrenia: Progress in Psychiatry Series, Volume 18 (book review). Edited by DiLisi LE. Winter 108-109

Negative Schizophrenic Symptoms: Pathophysiology and Clinical Implications (book review). Edited by Greden JF, Tandon R. Winter 109-111

Sciatica

Cerebrospinal fluid concentrations of beta-endorphin in chronic low back pain patients: influence of depression and treatment. France RD, Urban BJ. Winter 72-77

Seizure Inhibition

Theophylline reversal of electroconvulsive therapy (ECT) seizure inhibition. Swartz, CM, Lewis RK. Winter 47-51

Serotonin

Serotonin in Major Psychiatric Disorders: Progress in Psychiatry #21 (book review). Edited by Coccaro EF, Murphy DL. Spring 235

Sexual Dysfunction

Effects of uncomplicated acute myocardial infarction on biochemical parameters of stress and sexual function. Weizman R, Eldar M, Hod H, Eshkol A, Rabinowitz B, Tyano S, Neufeld HN. Summer 275-279

Somatization

Diagnostic concordance in primary care somatization disorder. Brown FW, Smith GR Jr. Spring 191-195

Somatic complaints in childhood tic disorders. Frank MS, Sieg KG, Gaffney GR. Fall 396-399

Somatization disorder in progressive dementia. Brown FW. Fall 463-465

Somatothymia: parts I and II. Stoudemire A. Fall 365-381

Stress

Cardiovascular reactivity to psychosocial stressors: a review of the effects of beta-blockade. Mills PJ, Dimsdale JE. Spring 209-220

Effects of uncomplicated acute myocardial infarction on biochemical parameters of stress and sexual function. Weizman R, Eldar M, Hod H, Eshkol A, Rabinowitz B, Tyano S, Neufeld HN. Summer 275-279

Psychological and behavioral benefits of a stress/type A behavior reduction program for healthy middle-aged army officers. Fava M, Littman A, Halperin P, Pratt E, Drews FR, Oleschansky M, Knapik J, Thompson C, Bielenca C. Summer 337-342

Reply to Dr. Friedman (letter). Frank C, Smith S. Winter 115-116

On "Stress and the Heart: Biobehavioral Aspects of Sudden Cardiac Death" (letter). Friedman EH. Winter 115

Stroke

Psychological factors affecting neurological conditions: depression and stroke, multiple sclerosis, Parkinson's disease, and epilepsy. McNamara ME. Summer 255-267

Subspecialization

Subspecialization at the crossroads

(editorial). Wise TN, Ford CV. Spring 121-123

Substance Abuse

The consequences of maternal substance abuse for the child exposed in utero. McCance-Katz EF. Summer 268-274

Drug and alcohol abuse in patients with acute burn injuries. Swenson JR, Dimsdale JE, Rockwell E, Carroll W, Hansbrough J. Summer 287-293

Sudden Cardiac Death

Reply to Dr. Friedman (letter). Frank C, Smith S. Winter 115-116

On "Stress and the Heart: Biobehavioral Aspects of Sudden Cardiac Death" (letter). Friedman EH. Winter 115

T**Telephone**

Psychotherapy by telephone: a therapeutic tool for cancer patients. Mermelstein HT, Holland JC. Fall 407-412

Theophylline

Theophylline reversal of electroconvulsive therapy (ECT) seizure inhibition. Swartz, CM, Lewis RK. Winter 47-51

Tobacco

The consequences of maternal substance abuse for the child exposed in utero. McCance-Katz EF. Summer 268-274

Tourette Syndrome

Somatic complaints in childhood tic disorders. Frank MS, Sieg KG, Gaffney GR. Fall 396-399

Training Programs

AIDS education and a volunteer training program for medical students. Cohen MAA, Cohen SC. Spring 187-190

Transplants

The clinical assessment of the cardiac transplant candidate (perspective). Kay J, Bienenfeld D. Winter 78-87

Cyclosporine-associated organic mental disorders in liver transplant recipients (case report). Craven JL. Winter 94-102

Depressed mood and other variables related to bone marrow transplantation survival in acute leukemia. Colón EA, Callies AL, Popkin MK, McGlave PB. Fall 420-425

Liver transplantation for the alcoholic patient (letter). King SA. Winter 112-113

Psychiatric issues in non-anonymous oocyte donation: motivations and expectations of women donors and recipients. Bartlett JA. Fall 433-437

The psychosocial levels system: a new rating scale to identify and assess emotional difficulties during bone marrow transplantation. Futterman AD, Wellisch DK, Bond G, Carr CR. Spring 177-186

Reply to Dr. King (letter). Beresford TP. Winter 113-114

A retrospective study of psychosocial morbidity in bone marrow transplant recipients. Jenkins PL, Linington A, Whittaker JA. Winter 65-71

Use of tricyclic antidepressants in recipients of heart transplants. Kay J, Bienenfeld D, Slomowitz M, Burk J, Zimmer L, Nadolny G, Marvel NT, Geier P. Spring 165-170

Traumatic Syndromes

Head-injured parents and their children: psychosocial consequences of a traumatic syndrome. Urbach JR, Culbert JP. Winter 24-33

Tricyclic Antidepressants

Use of tricyclic antidepressants in recipients of heart transplants. Kay J, Bienenfeld D, Slomowitz M, Burk J, Zimmer L, Nadolny G, Marvel NT, Geier P. Spring 165-170

Type A Behavior

Psychological and behavioral benefits of stress/type A behavior reduction program for healthy middle-aged army officers. Fava M, Littman A, Halperin P, Pratt E, Drews FR, Oleschansky C, Knapik J, Thompson C, Bielenca C. Summer 337-342

W**Water Dysregulation**

The link between fluid intake and weight gain in psychosis. Vieweg WVR, Godleski LS, Graham P, Barber J, Kellogg E, Glick J, Hundley PL, Yank GR. Winter 52-57

Water Homeostasis

A review of disorders of water homeostasis in psychiatric patients. Riggs AT, Dysken MW, Kim SW, Opsahl JA. Spring 133-148

Weight Gain

The link between fluid intake and weight gain in psychosis. Vieweg WVR, Godleski LS, Graham P, Barber J, Kellogg E, Glick J, Hundley PL, Yank GR. Winter 52-57

Women. See Females**Z****Zidovudine**

HIV-related major depression: response to zidovudine treatment (case report). Perkins D, Evans DL. Fall 451-454
